

Job Description – Video Editor

Position: Video Editor (Media & Storytelling)

Reports to: Media Lead / Communications Director

Department: Creative & Media

Role Overview

As a **Video Editor** at **NAWA**, you will be responsible for transforming **raw footage** into **compelling, professional, and impactful videos** that showcase **NAWA's programs, conferences, and community initiatives**. You will bring **NAWA's story** to **life**, ensuring every video reflects our values of **leadership, belonging, and youth empowerment**.

Key Responsibilities

- Edit event coverage, highlight reels, and program recaps for NAWA activities.
- Create promotional videos for upcoming workshops, academies, and conferences.
- Ensure brand consistency across all media outputs (intro/outro templates, colors, fonts, logos).
- Collaborate with designers, copywriters, and the media team to deliver integrated campaigns.
- Maintain organized archives of video projects and footage for future use.
- Stay updated on editing trends to keep NAWA content modern and engaging.

Qualifications

- Proficiency in video editing software (Adobe Premiere Pro, Final Cut, DaVinci Resolve, or equivalent).
- Strong portfolio of video editing work (academic, freelance, or professional).
- Knowledge of color grading, sound editing, and motion graphics is a plus.
- Ability to meet deadlines and work efficiently under time pressure.
- Passion for storytelling and creating content that inspires youth.

Sincerely,

Abdullah Al-Edini
